Finance - Establishment of Other Post-Employment Benefits Trust Fund and Local Government Law Enforcement Special Separation Allowance Trust Fund

BRIEF SUMMARY:

The County provides certain benefits for its eligible retirees that constitute what are known as "other post-employment benefits" ("OPEB"). The County is required to account for OPEB pursuant to the Governmental Accounting Standards Board Statement No. 45; the County desires to create a trust fund (the "OPEB Trust Fund") into which it will make an original deposit of $1,000,000 and then deposit regular contributions in order to further fund the County’s OPEB obligations. Such deposits into the OPEB Trust Fund will be irrevocable, not subject to the claims of creditors and may only be withdrawn by the County to provide other post-employment benefits to individuals who are former employees or beneficiaries of former employees of the County and who are entitled to other post-employment benefits payable by the County.

The County also provides certain pension benefits for its eligible law enforcement retirees that constitute what are known as "Local Government Law Enforcement Special Separation Allowance" ("LEOSSA"). The County is required to account for LEOSSA pursuant to the Article 12D of General Statute Chapter 143. The County desires to create a trust fund (the "LEOSSA Trust Fund") into which it will make an original deposit of $1,576,476 and then deposit regular contributions in order to further fund the County’s LEOSSA obligations. Such deposits into the LEOSSA Trust Fund will be irrevocable, not subject to the claims of creditors and may only be
withdrawn by the County to provide Local Government Law Enforcement Special Separation Allowance payments to individuals who are former law enforcement employees or beneficiaries of former employees of the County and who are entitled to other Special Separation Allowance payments payable by the County.

It is requested to establish the two trust funds. Both trust funds would be held in an account established with the North Carolina Local Government Commission. Additional details will be available at the Board meetings.

DEPARTMENT OF TREASURY REGULATIONS

BE IT RESOLVED by the Board of Commissioners of Cabarrus County:

1. The Board hereby finds, determines and declares as follows:

   (a) Treasury Regulations Section 1.150-2 (the “Regulations”), promulgated
       by the United States Department of Treasury on June 18, 1993, prescribes certain specific
       procedures applicable to certain obligations issued by the County after June 30, 1993, including,
       without limitation, a requirement that the County timely declare its official intent to reimburse
       certain expenditures with the proceeds of debt to be issued thereafter by the County.

   (b) The County has advanced and/or will advance its own funds to pay certain
       capital costs (the “Original Expenditures”) associated with financing, in part, the acquisition,
       construction, installation and equipping of (i) a new public high school and (ii) a new public

       and rights-of-way (the “School Projects”).

       finance the Original Expenditures.

   (d) As of the date hereof, the County reasonably expects that it will reimburse

The County understands that such reimbursement must occur not later than 18 months after the later of (i) the date the Original Expenditure was paid; or (ii) the date the School Projects were placed in service or abandoned, but in no event more than 3 years after the Original Expenditure was paid.

A RESOLUTION OPPOSING MODIFICATIONS TO THE
MACHINERY ACT AS OUTLINED IN S363 “AN ACT TO MODIFY
APPEALS OF PROPERTY TAX VALUATION WHERE THE APPEAL
INVOLVES CERTAIN APPRAISALS”

WHEREAS, the “Machinery Act,” the official title given to Subchapter II of Chapter 105 of the North Carolina General Statutes, governs the entire administrative structure of the property tax system used by counties and municipalities in North Carolina; and

WHEREAS, Senate Bill 363 filed on March 22, 2017, removes the authority of the local Boards of Equalization and Review and the Property Tax Commission to make reasoned, informed decisions regarding the assessed values of properties; and

WHEREAS, the bill removes the ability for both the Property Tax Commission and the local Boards of Equalization and Review to ensure that similar properties are appraised in a similar manner, thereby promoting inequality among property values; and

WHEREAS, by promoting inequality among properties, the bill would create inequity among property owners through inequitable tax bills for similar properties; and

WHEREAS, the bill appears to presume that a county can appeal the decision of the local Board of Equalization and Review to the State Commission; although the statutory appeal rights are available only to the appealing property owners, and not to the county; and

WHEREAS, S363 fails to recognize that appraisal opinions are almost always reflective of a range of values that are sometimes higher and sometimes lower than typical values; and
WHEREAS, S363 fails to recognize that the purpose for which an appraisal is conducted can have a significant impact on where the final value falls within a given range; and

WHEREAS, because the bill would require adopting the value expressed in the appraisal, it is certain that neighboring and similar properties would become appraised at different levels; and

WHEREAS, the bill does not provide discretion from local or state oversight boards to evaluate the quality of the submitted appraisal; and

WHEREAS, counties must provide and bear the cost of hiring mutually agreed upon appraisers if the county has an exception to order; and

WHEREAS, regarding county exceptions and appeals to the Property Tax Commission, S363 directs the Property Tax Commission to modify the appealed appraisal to the average value provided; and

WHEREAS, S363 represents a dangerous departure from a procedure that has historically offered due process and equal protection for taxpayers statewide.

NOW THEREFORE BE IT RESOLVED that the Cabarrus County Board of Commissioners opposes Senate Bill 363 and hereby requests their local delegation to the North Carolina General Assembly join them in opposition of this bill.

Adopted this the 3rd day of April, 2017.

SENATE BILL 363

Short Title: Machinery Act Update. (Public)

A BILL TO BE ENTITLED
AN ACT TO MODIFY APPEALS OF PROPERTY TAX VALUATIONS WHERE THE
APPEAL INVOLVES CERTAIN APPRAISALS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 105-322(g)(2) reads as rewritten:

"§ 105-322. County board of equalization and review.

…

(g) Powers and Duties. – The board of equalization and review has the following powers and duties:

…

(2) Duty to Hear Taxpayer Appeals. – On request, the board of equalization and review shall hear any taxpayer who owns or controls property taxable in the county with respect to the listing or appraisal of the taxpayer's property or the property of others.

…

c. At a hearing under provisions of this subdivision (g)(2), the board, in addition to the powers it may exercise under the provisions of subdivision (g)(3), below, shall hear any evidence offered by the appellant, the assessor, and other county officials that is pertinent to the decision of the appeal. If the evidence presented by the appellant includes an appraisal by a certified general real estate appraiser, as defined in G.S. 93E-1-4, the board shall modify the appraisal appealed to the value provided in the appraisal and ensure the appraisal is included in the record in any subsequent appeal. Upon the request of an appellant, the board shall subpoena witnesses or documents if there is a reasonable basis for believing that the witnesses have or the documents contain information pertinent to the decision of the appeal.

…"

SECTION 2. G.S. 105-290 reads as rewritten:

"§ 105-290. Appeals to Property Tax Commission.

(a) Duty to Hear Appeals. – In its capacity as the State board of equalization and review, the Property Tax Commission shall hear and adjudicate appeals from boards of county commissioners and from county boards of equalization and review as provided in this section.

(b) Appeals from Appraisal and Listing Decisions. – The Property Tax Commission shall hear and decide appeals from decisions concerning the listing, appraisal, or assessment of
property made by county boards of equalization and review and boards of county
commissioners. Any property owner of the county may except to an order of the county board
of equalization and review or the board of county commissioners concerning the listing,
appraisal, or assessment of property and appeal the order to the Property Tax Commission. If a
county has an exception to an order of the county board of equalization and review or the board
of county commissioners due to the submission and acceptance of an appraisal performed by a
certified general real estate appraiser by an appellant pursuant to G.S. 105-322(g)(2)c., the
county, in support of the exception, must provide (i) an appraisal by the county's appraiser and
(ii) an appraisal by another certified general real estate appraiser mutually chosen by the
county's appraiser and the appellant's appraiser.

(3) On the basis of the findings of fact and conclusions of law made after any
hearing provided for by this subsection (b), the Property Tax Commission
shall enter an order (incorporating the findings and conclusions) reducing,
increasing, or confirming the valuation or valuations appealed or listing or
removing from the tax lists the property whose listing has been appealed. If a
county has an exception to an order of the county board of equalization and
review or the board of county commissioners, the Property Tax Commission
shall modify the appraisal appealed to the average value provided in the
appraisals required to be provided to the Commission. A certified copy of
the order shall be delivered to the appellant and to the clerk of the board of
commissioners of the county from which the appeal was taken, and the
abstracts and tax records of the county shall be corrected to reflect the
Commission's order.

SECTION 3. This act is effective when it becomes law and applies to appeals to
boards of equalization and review commenced on or after that date.

This funding will be added to our land bank funds of $517,196.74. All land funds for the new Elementary school will be moved to the LOBS 2018 Fund.
