Request for Qualifications for Cabarrus County Infrastructure and Asset Management

February 21, 2018

Project Description

Cabarrus County Infrastructure and Asset Management (IAM) wishes to hire a firm to conduct a property, easements, and utilities survey surrounding the Cabarrus County Courthouse, Historic Courthouse, and Courthouse Annex located in Concord, NC. The site extents are Means Ave, Church St, Union Street, and Corban Ave.

There are a large amount of utilities that run underground near the streets as well as from the building itself including critical communication lines. Coordination with utility companies as well as county staff will be critical.

Cabarrus County will also want all Right of Ways related to streets noted on the survey.

The architect that Cabarrus County has contracted with on this project has a list of specifics for the survey and those will be provided once a firm selection is made.

Once a firm is selected based on qualifications they will be given all existing prints that the county has for the location as well as the proposed layout of the property after demolition.
