**(D-6) Finance - Ambulance Receivable Write Off**

Cabarrus County's year-end procedure includes adjusting the Accounts Receivable - Ambulance balance to include the outstanding balances for the closing year plus the three preceding fiscal years while writing off the unpaid balance in the 4th year, which is Fiscal Year 2019. Historical analyses indicate amounts are no longer collectible in the fourth year following billing. This year, it was requested to write-off of \$1,823,817.28, however, writing off the balance does not prevent the collection of these outstanding balances. It simply allows the Finance Department to adjust the Accounts Receivable-Ambulance balance to accurately reflect the balance considered collectible.

The County's third-party billing company, EMS Management & Consultants, is responsible for ensuring all claims are filed timely with insurance companies. In addition, the County's Emergency Medical Services staff are diligent in attempting to collect past due balances by a collection agency, garnishments, and the State's Debt Setoff program.

**UPON MOTION** of Commissioner Measmer, seconded by Commissioner Furr, and unanimously carried, the Board authorized the Finance Department to write off the outstanding ambulance receivable balance from Fiscal year 2019.

**(D-7) Finance - Budget Amendment for SUN Program Grant**

A budget amendment is needed to budget revenues and expenditures for a Federal Substance Abuse Prevention Treatment (SAPT) Block Grant for \$1,000,000. The grant funds will be used for Substance Use Network (SUN) projects to support families impacted by substance abuse disorders. The annual grant funds were allocated for Fiscal Year 2023 with a possible extension through Fiscal Year 2024. The grant was approved by the Board of Commissioners in March 2023. The grant was not budgeted in Fiscal Year 2024 annual budget because an extension was not approved by June 30, 2023. The extension was approved July 2023, Fiscal Year 2024. A County match is not required.

**UPON MOTION** of Commissioner Measmer, seconded by Commissioner Furr, and unanimously carried, the Board approved the budget amendment.

**(D-11) Soil and Water - Grant Application to North Carolina Agricultural Development and farmland Preservation Trust Fund**

As approved in the August 1, 2023 meeting, the Soil and Water Conservation District Board requested to apply for state and federal Farmland Preservation Grants to purchase development rights for permanent agricultural conservation easements on three parcels of farmland.

Farmland Preservation supports goals of both the Board of Commissioners, and the Soil and Water Conservation District Board by improving the quality of life for county citizens. Permanently protecting farmland ensures the land base necessary for the county's agricultural economy while simultaneously keeping the tax burden low by maximizing the amount of land acreage where the cost of county services are lowest. The Soil and Water Conservation District Board has previously applied for and received grant funding to preserve a total of 508 acres of farmland.

Any contracts or cooperative agreements associated with successful grant applications will be submitted to the county for approval of budget amendment(s).

**UPON MOTION** of Commissioner Measmer, seconded by Commissioner Furr, and unanimously carried, the Board approved to authorize Soil & Water Conservation District staff to submit applications to the North Carolina Agricultural Development, Farmland Preservation Trust Fund and federal USDA agricultural land easement programs.

**(D-12) Strategy - 2023 Cabarrus County Government Strategic Planning Process**

In January, Commissioners approved working with Centralina Regional Council (Centralina) to develop a board-guided strategic plan that establishes a desired future for our organization that aligns with identified trends and needs.

Commissioners began providing feedback in early February and the official plan kickoff took place at the FY24 Budget Retreat. The discussion continued at the March Work Session with Board feedback on the staff-recommended vision and mission themes. From there, staff managed several rounds of stakeholder input on strategies, barriers, resources, measures, and values.

Staff provided the framework for the strategic plan at the September 5 Work Session.

**UPON MOTION** of Commissioner Measmer, seconded by Commissioner Furr, and unanimously carried, the Board adopted the presented strategic plan as the framework for County efforts to empower people, act intentionally and decisively, and focus on the future, covering the years FY25 through FY29.

**(D-13) Tax Administration - 2013 Write-Off, Real and Personal Outstanding Taxes**

The Tax Collector uses every effort to collect all outstanding taxes. However, NCGS 105-378 expresses a ten-year statute of limitations preventing the Tax Collector from using remedies to collect taxes remaining unpaid prior to tax year 2014. "Use of Remedies Barred" states that no county or municipality may maintain an action or procedure to enforce any remedy provided by law for the collection of taxes or the enforcement of any tax liens unless the action or procedure is instituted within 10 years from the date the taxes became due.

**UPON MOTION** of Commissioner Measmer, seconded by Commissioner Furr, and unanimously carried, the Board approved the write-off of real and personal outstanding taxes for 2013 totaling \$110,410.18.

**(D-12) Tax Administration - Refund and Release Reports - August 2023**

The Release Report contains taxpayers' names, bill numbers, valuations, tax amounts, along with the justifications for releasing the valuation/tax amounts for outstanding levies in accordance with N.C.G.S. 105-381. The Refund Report is a summary sheet which lists data from each refund request form, along with the justification for the refunds to the taxpayers in accordance with N.C.G.S. 105-381. Note: Due to the transition of motor vehicles onto the new North Carolina Vehicle Tax System (NCVTS), motor vehicle-related refunds and releases will begin to be displayed on the new report generated by NCVTS.

**UPON MOTION** of Commissioner Measmer, seconded by Commissioner Furr, and unanimously carried, the Board approved the August 2023 Refund and Release

Reports as submitted, including the NCVTS Refund Report, and granted authority to the Tax Collector to process the refunds and releases.

**(E-2) Appointments - Early Childhood Task Force Advisory Board**

The Early Childhood Task Force Advisory Board (ECTFAB) is comprised of 15 or more members. These members advise the Board of County Commissioners on matters related to the primary development of children birth to five years of age. Members serve a four-year term. Ann Benfield and Spencer Swain have extensive knowledge of early childcare. Their engagement in the ECTFAB will help to provide strong recommendations to the Commissioners and county leadership regarding early childhood development and education. ECTFAB recommended their appointment.

**UPON MOTION** of Commissioner Furr, seconded by Commissioner Wortman, and unanimously carried, the Board appointed Ann Benfield and Spencer Swain to the Early Childhood Task Force Advisory Board each for a four-year term.

**(E-3) Appointments and Removals - Juvenile Crime Prevention Council**

The terms for Sergeant Matthew Greer and Sharon Reese expired September 30, 2023. Following confirmation of each members' desire to renew his/her term for another two years, the Council voted unanimously during its September 20 meeting to recommend both members to be reappointed to another two-year term.

Additionally, Council voted unanimously to accept the resignations of Mark Boles and Heather Jones.

**UPON MOTION** of Commissioner Furr, seconded by Commissioner Wortman, and unanimously carried, the Board reappointed Sergeant Matthew Greer (Police Chief Designee) and Sharon Reese (DHS Director Designee) to the Juvenile Crime Prevention Council for two-year terms ending September 30, 2025; including an exception to the residency provision of the Appointment Policy for Ms. Reese.

**UPON MOTION** of Commissioner Furr, seconded by Commissioner Wortman, and unanimously carried, the Board removed Mark Boles (Member of Business Community) and Heather Jones (Public Representative) from the Juvenile Crime Prevention Council and thanked them for their service.

**(E-4) DHS - Budget Revision For Adult Protective Services Essential Services Fund**

The North Carolina Division of Aging and Adult Services (DAAS) has allocated additional funding for the Adult Protective Services (APS) Essential Services Fund. This funding would allow county departments of social services to provide essential services for adults for whom the need for protective services has been substantiated. These funds would assist adults to age in place, eliminating unnecessary institutionalization and promote opportunities to return to a community-based setting when possible. These essential services would include the provision of medical care for physical and mental health, assistance in personal hygiene, assistance with obtaining appropriate food, clothing, seeking and providing heated and ventilated shelter, providing for protection from health and safety hazards, and protection from abuse, neglect, and exploitation.

Cabarrus County Department of Human Services received \$7,559.74 for this fund for FY24; a county match will not be required. A budget amendment will be needed.

**UPON MOTION** of Commissioner Furr, seconded by Commissioner Wortman, and unanimously carried, the Board approved the budget amendment.

**(E-5) DHS - Transportation FY24 Rural Operating Assistance Program (ROAP)**

The Rural Operating Assistance Program (ROAP) is a state-funded grant program, which provides funding for trips within Cabarrus County for the elderly and handicapped, employment, and rural general public. It is requested the Board consider acceptance of the grant and approve the required Certified Statement.

**UPON MOTION** of Commissioner Furr, seconded by Commissioner Wortman, and unanimously carried, the Board accepted the grant and approved the certified statement.

**(E-6) Finance - Updated Annual Budget Ordinance**

Originally, Cabarrus County along with all counties receiving Opioid settlement funds were instructed that a grant project ordinance could be established and used to track funding and appropriations for the life of the Opioid settlement.

During a recent Local Government Commission Opioid meeting, all the counties were informed that because of the way the Opioid Settlement Memorandum of Understanding (MOU) was written, it was not a grant contract so a grant project ordinance was not a lawful budgeting option. The local government must re-budget the funds in an annual budget ordinance unless the funds are being used for capital purposes.

Since Cabarrus County is in the early stages of determining the best use of these funds, and capital expenditures has not been determined, our option is to add the Opioid Fund to our annual budget ordinance.

**UPON MOTION** of Commissioner Furr, seconded by Commissioner Wortman, and unanimately carried, the Board approved the updated Budget Ordinance to include the Opioid Fund for Fiscal Year 2024 and approved the corresponding budget amendment.

**(E-12) Behavioral Health - NC Opioid Settlement: Collaborative Strategic Planning**

Cabarrus County is slated to receive at least \$21,886,625 over 18 years as part of the NC Opioid Settlement Agreements. The Collaborative Strategic Planning process is a requirement to access a longer, more comprehensive list of funded strategies under Option B to address opioid misuse, addiction, overdose, or related issues. To ensure Cabarrus can leverage all possible strategies, a portion of opioid settlement funds will be used to hire a consulting firm to lead the process. An RFP was released in August 2023. Eight firms submitted proposals. The Cabarrus Opioid Review Team led by the Behavioral Health Director, and including members from Emergency Management Services, Cabarrus Health Alliance, Cabarrus Human Services, and Cabarrus Sheriff's Office, reviewed the proposals to select a firm. A scoring matrix was used to assess each submission. Health Management Associates was the firm identified through the competitive process.

Collaborative Strategic Planning was described by the State as the following: Collaborative strategic planning allows all people in a community to provide input into developing a plan and facilitates planning that is well-matched to the needs of their community. People who use drugs, and those with a history of drug use, are one of the groups that that should have a real voice in the creation of programs and plans designed to serve them. This strategy allows programs to understand the needs of their community, maximize limited resources, coordinate with key partners and ensure that services are not duplicated.

The initial phase of planning will lead to a funding plan covering the next 3 - 5 years. Required activities include the following:

- A. Engage diverse stakeholders
- B. Designate facilitator.

**UPON MOTION** of Commissioner Furr, seconded by Commissioner Wortman, and unanimously carried, the Board adopted the resolution and approved the necessary budget amendment.

Re: 2023-24 Deficit Mitigation and Proposed Repurposing of Funds

For the past two months, we have been working to mitigate a budget deficit for the 2023-2024 fiscal year. The initial estimate for the deficit was \$5.0 million, and subsequently the deficit increased to \$6.8 million when the State reduced our classroom teacher and other allotments because our actual ADM of roughly 35,200 students was below the ADM the State had initially modeled.

The deficit largely stems from three different factors:

- Reliance upon a \$5.0 million appropriation of fund balance in the operating budget for the 2023-24 year when the budget was adopted, when in fact there was no fund balance available under current Board of Education policy.
- Higher-than-expected wage increases for some groups of staff that in turn had an adverse derivative impact on our local funds.
- A failure to craft the 2023-24 continuation budget request in a manner that adequately represented or explained the needs of Cabarrus County Schools, such as ADM growth and the impact of inflation.

Through a number of austerity measures that were put in place in November, other actions we have taken including the deferral of \$1.4 million of expenses, and some grant revenue that has come in higher than we expected, we believe the budget deficit now stands at less than \$1.3 million.

The forecasted deficit could be further reduced to less than \$500,000 if we were permitted to repurpose up to \$800,000 of the one-time funds given at the close of the 2022-23 year. Of the \$1.5 million in one-time funds that were given to CCS, approximately \$847,000 remains. Reducing the deficit in that manner, all other things being equal, would give us a great deal of confidence that the deficit could be closed by the end of the fiscal year without the need for a special appropriation from the County. As such, we would like to formally request the repurposing of those funds for the balance of the 2023-24 year.

County Manager - Resolution Authorizing County Manager to Execute Routine Easement Requests

**BRIEF SUMMARY:**

The attached resolution has been created with the intent of authorizing the County Manager to execute routine easement requests such as those arising from new construction of schools and county facilities or those of a temporary nature. At Closing, the Earnest Money shall be applied as part of the Purchase Price. The Closing shall be conducted by Buyer's attorney or handled in such other manner as the parties hereto may mutually agree in writing. **Section 7. Leases (Check one of the following, as applicable):**

If this box is checked, Seller affirmatively represents and warrants that there are no Leases (as hereinafter defined) affecting the Property.

If this box is checked, Seller discloses that there are one or more leases affecting the Property ("Leases") and the following provisions are hereby made a part of this Agreement.

(a) A list of all Leases shall be set forth on **Exhibit C**. Seller represents and warrants that as of the Contract Date, there are no other Leases, oral or written, recorded or not, nor any subleases affecting the Property, except as set forth on **Exhibit C**; Unless written consent is given by Buyer, Seller will not enter in to any Lease affecting the Property nor terminate any Lease in Exhibit C during the effectiveness of this Agreement. Buyer agrees to take no action which would affect any lease in Exhibit C prior to Closing;

(b) Seller shall deliver copies of any Leases to Buyer pursuant to Section 3 as if the Leases were listed therein;

(c) Seller represents and warrants that, as of the Contract Date, there are no current defaults (or any existing situation which, with the passage of time, or the giving of notice, or both, or at the election of either landlord or tenant could constitute a default) either by Seller, as landlord, or by any tenant under any Lease ("Lease Default"). In the event there is any Lease Default as of the Contract Date, Seller agrees to provide Buyer with a detailed description of the situation in accordance with Section 3. Seller agrees not to commit a Lease Default as Landlord after the Contract Date; and agrees further to notify Buyer immediately in the event a Lease Default arises or is claimed, asserted or threatened to be asserted by either Seller or a tenant under the Lease.

(d) During the Examination Period, Buyer and Seller shall cooperate in good faith to determine if any Lease shall be terminated prior to Closing or shall continue after Closing. As to any Lease determined to continue after Closing, Seller shall deliver an assignment of Seller's interest in such Lease to Buyer in form and content acceptable to Buyer (with tenant's written consent and acknowledgement, if required under the Lease). Seller agrees to deliver such assignment of Lease at or before Closing, with any security deposits held by Seller under any Leases to be transferred or credited to Buyer at or before Closing. The assignment shall provide: (i) that Seller shall defend, indemnify and hold Buyer harmless from claims, losses, damages and liabilities (including, without limitation, court costs and attorneys' fees) asserted against or incurred by Buyer which are caused by or the result of any default by Seller under any Lease prior to the date of Closing, and (ii) that Buyer shall defend, indemnify and hold Seller harmless from claims, losses, damages and liabilities (including, without limitation, court costs and attorneys' fees) asserted against or incurred by Seller which are caused by or the result of any default by Buyer under any Lease after the date of Closing.

those substances, materials and wastes listed in the United States Department of Transportation Hazardous Materials Table (49 CFR Part 172.101) or by the Environmental Protection Agency as hazardous substances (40 CFR Part 302.4) and amendments thereto, or such substances, materials and wastes, which are or become regulated under any applicable local, state or federal law, including, without limitation, any material, waste or substance which is (i) petroleum, (ii) asbestos, (iii) polychlorinated biphenyls, (iv) designated as a Hazardous Substance pursuant to Section 311 of the Clean Water Act of 1977 (33 U.S.C. §1321) or listed pursuant to Section 307 of the Clean Water Act of 1977 (33 U.S.C. §1317), (v) defined as a hazardous waste pursuant to Section 1004 of the Resource Conservation and Recovery Act of 1976 (42 U.S.C. §6903) or (vi) defined as a hazardous substance pursuant to Section 101 of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. §9601). Seller has no actual knowledge of any contamination of the Property from such substances as may have been disposed of or stored on neighboring tracts.

**Section 9. Risk of Loss/Damage/Repair:** Until Closing, the risk of loss or damage to the Property, except as otherwise provided herein, shall be borne by Seller. Except as to maintaining the Property in its same condition, Seller shall have no responsibility for the repair of the Property, including any improvements, unless the parties hereto agree in writing.

**Section 10. Earnest Money Disbursement:** In the event that any condition hereto is not satisfied, then the Earnest Money shall be refunded to Buyer. In the event of breach of this Agreement by Seller, the Earnest Money shall be refunded to Buyer upon Buyer's request, but such return shall not affect any other remedies available to Buyer for such breach. In the event of breach of this Agreement by Buyer, the Earnest Money shall be paid to Seller as liquidated damages and as Seller's sole and exclusive remedy for such breach, but without limiting Seller's rights under Section 6(c) or Section 22 of this Agreement. It is acknowledged by the parties that payment of the Earnest Money to Seller in the event of a breach of this Agreement by Buyer is compensatory and not punitive, such amount being a reasonable estimation of the actual loss that Seller would incur as a result of such breach. The payment of the Earnest Money to Seller shall not constitute a penalty or forfeiture but actual compensation for Seller's anticipated loss, both parties acknowledging the difficulty determining Seller's actual damages for such breach.

NOTE: In the event of a dispute between Seller and Buyer over the disposition of the Earnest Money held in escrow, a licensed real estate broker is required by state law (and Escrow Agent, if not a broker, hereby agrees) to retain the Earnest Money in the Escrow Agent's trust or escrow account until Escrow Agent has obtained a written release from the parties consenting to its disposition or until disbursement is ordered by a court of competent jurisdiction. Alternatively, if a broker or an attorney licensed to practice law in North Carolina is holding the Earnest Money, the broker or attorney may deposit the disputed monies with the appropriate clerk of court in accordance with the provisions of N.C.G.S. §93A- 12.

Seller and Buyer hereby agree and acknowledge that the Escrow Agent assumes no liability in connection with the holding of the Earnest Money pursuant hereto except for negligence or willful misconduct of Escrow Agent. Escrow Agent shall not be responsible for the validity, correctness or genuineness of any document or notice referred to under this Agreement. Seller and Buyer hereby agree to indemnify, protect, save and hold harmless Escrow Agent and its successors, assigns and agents pursuant to this Agreement, from any and all liabilities, obligations, losses, damages, claims, actions, suits, costs or expenses (including attorney fees) of whatsoever kind or nature imposed on, incurred by or asserted against Escrow Agent which in any way relate to or arise out of the execution and delivery of this Agreement and any action taken hereunder; provided, however, that Seller and Buyer shall have no such obligation to indemnify, save and hold harmless Escrow Agent for any liability incurred by, imposed upon or established against it as a result of Escrow Agent's negligence or willful misconduct.

**Section 11. Closing:** At or before Closing, Seller shall deliver to Buyer a special warranty deed unless otherwise specified on **Exhibit B** and other documents customarily executed or delivered by a seller in similar transactions, including without limitation, an owner's affidavit, lien waiver forms (and such other lien related documentation as shall permit the Property to be conveyed free and clear of any claim for mechanics' liens) and a non-foreign status affidavit (pursuant to the Foreign Investment in Real Property Tax Act), and Buyer shall cause to be delivered the funds necessary to pay to Seller the Purchase Price. The Closing shall be conducted by Buyer's attorney or handled in such other manner as the parties hereto may mutually agree in writing. Possession shall be delivered at Closing, unless otherwise agreed herein. The Purchase Price and other funds to be disbursed pursuant to this Agreement shall not be disbursed until the Buyer's attorney's (or other designated settlement agent's) receipt of authorization to disburse all necessary funds.

**Section 12. Notices:** Unless otherwise provided herein, all notices and other communications which may be or are required to be given or made by any party to the other in connection herewith shall be in writing (which shall include electronic mail) and shall be deemed to have been properly given and received (i) on the date delivered in person or (ii) the date deposited in the United States mail, registered or certified, return receipt requested, to the addresses set out in Section 1(g) as to Seller, and in Section 1(h) as to Buyer, or at such other addresses as specified by written notice delivered in accordance herewith, (iii) at such time as the sender performs the final act to send such transmission, in a form capable of being processed by the receiving party's system, to any electronic mail address or facsimile number, if any, provided in Section 1(g) as to Seller, and in Section 1(h) as to Buyer or (iv) on the date deposited with a recognized overnight delivery service, addressed to the addresses set out in Section 1(g) as to Seller, and in Section 1(h) as to Buyer, or at such other addresses as specified by written notice delivered in accordance herewith. If a notice is sent by more than one method, it will be deemed received upon the earlier of the dates of receipt pursuant to this Section.

County Manager - Restructure Department of Social Services Legal Services

### **BRIEF SUMMARY:**

The Department of Social Services requires legal representation, which has been provided for several years through a contract with Hartsell & Williams. However, due to various considerations, County staff proposes a return to in-house legal support for the department. This shift aims to enhance accessibility, reduce costs, and afford greater control over this critical function.

To facilitate this change, staff proposes the creation of the following positions:

- Lead Human Services Attorney, with a primary focus on Child Protective Services and Adult Protective Services.
- Human Services Attorney, primarily specializing in Child Support Services and other social services functions.
- Two Paralegals.

Should this proposal be approved, staff commits to collaboratively work with Hartsell & Williams to develop an effective transition plan. Positions will be promptly posted and filled to ensure a seamless transition.

In the current fiscal year, where Hartsell & Williams will continue rendering services, costs associated with the additional personnel will be covered from lapsed salary. Following the conclusion of the contract on June 30, 2024, ample funds will be available to support all personnel without necessitating an increase to the FY25 budget.

## Interlocal Detention Center Agreement

This Interlocal Detention Center Agreement (“Agreement”) is entered into effective January 15, 2024, by and between **Anson County, North Carolina**, a political subdivision of the state of North Carolina, with its principal place of business at 119 North Washington St. Wadesboro NC, 28170 (Anson County”) and **Cabarrus County, North Carolina** a political subdivision of the state of North Carolina, with its principal place of business at 65 Church Street South, PO Box 707, Concord, N.C. 28025 (“Cabarrus County”).

**Whereas, Anson County** has a need to alleviate jail overcrowding, which would require a reduction of the inmate population; and

**Whereas, Cabarrus County** is not currently experiencing overcrowding of its inmate detention facilities and on occasion, has space available to house additional inmates; and

**Whereas, Anson County** has requested that Cabarrus County consider housing certain Anson County inmates and Cabarrus County has agreed to do so, all in accordance with the terms and conditions of this Agreement, and

**Whereas, this Agreement** is authorized pursuant to North Carolina General Statute Chapter 160A-460 et.seq.

Now therefore, in consideration of the premises and other good and valuable consideration, the parties hereto agree as follows:

1. **Housing Facilities.** Cabarrus County will provide inmate detention facilities for certain Anson County detainees and prisoners (hereafter, “Inmate(s)”) in Cabarrus County’s Detention Center (“Center”) located at 30 Corban Avenue SE, Concord, N.C. and houses the inmates detained for pre-trial and sentenced inmates confined to Cabarrus County. Cabarrus County will provide the same standard of care with regard to surveillance, security, and protection of inmates as is afforded Cabarrus County detainees and prisoners.
2. **Overcrowding of Center.** In the event the Center reaches maximum capacity, Cabarrus County shall not be required to accept any Inmates until such time as the Center has enough available space to accept additional inmates. The Detention Center presently has 473 beds available for use, although due to classification of inmates, the actual number is slightly lower. Because of this, Cabarrus County can require Anson County to pick up Inmates housed in the Center.

10. **Amendments and Modifications.** This Agreement may only be modified in writing, signed by the parties hereto. However, Cabarrus County and Anson County agree that the Sheriff's Office of both counties may attach exhibits or supplements to this Agreement pertaining solely to specific procedures for the transport, acceptance and discharge of Inmates, provided the terms of such supplements or exhibits are not in contradiction to the terms and conditions of this Agreement.

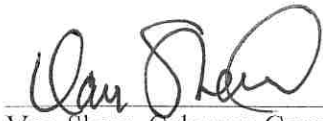

11. **Paragraph Headings.** Paragraph headings in this Agreement are for convenience only and are not deemed to be a controlling part of this Agreement.

In Witness hereof, the parties hereto have executed this Agreement in duplicate originals, effective the date set forth above.

**Narrative:**

The Cabarrus County Sheriff's Office is dedicated to taking care of the mental, emotional, and physical wellbeing of its employees. The field of law enforcement is fraught with emotional and mental pitfalls due to the nature of the situations and incidents that officers are asked to respond to. The repetitive exposure to work related trauma can build over time and lead to cumulative post-traumatic stress disorder if not properly dealt with. According to Psychology Today ([Cops Who Kill—Themselves | Psychology Today](#)), cops are two to three times more likely to die from suicide than from any other line of duty death. There were 632 law enforcement deaths across the nation in 2021, nearly 25% of those were self-inflicted.

According to the North Carolina Law Enforcement Assistance Program, an officer involved in a high stress event has a 70% chance of suicide following the next incident if they do not seek any intervention. There is only a 3% chance for those who do seek help. A critical incident can include anything from responding to homicides, traffic fatalities, high-speed pursuits that end in tragedy, child abuse and exploitation incidents, line of duty shootings and much more. Seeking the needed help may be easier said than done for officers who feel like they must be depended on. Therefore, when taking care of officers is a normal part of business and an automatic response, the stigma of seeking help is removed and it just becomes part of the job. The Cabarrus County Sheriff's Office has taken an intentional approach to normalizing seeking help; however, additional resources are needed to allow for a holistic approach to officer care. This should include a peer support program, a physical fitness program as well as contracting with a service to have an Embedded Behavioral Health counselor assigned to the agency.

The Department of Justice's Office of Community Oriented Policing Services released their report, "Law Enforcement Officer Suicide: 2020 Report to Congress." After a wide-ranging review of current resources and research, the report states that all evidence "constantly circles back to the importance of peer support and behavioral health partnerships."

Cabarrus County currently has an Employee Assistance Program through McLaughlin Young. This allows employees to reach out for needed counseling and work-life services such as financial counseling. This is a valuable resource for employees; however, the drawback is the time lapse once contact is made to when they see a behavior health counselor. There is also a distrust amongst officers to reach out to the EAP when they feel that there may not be an understanding of the particular mental health challenges a law enforcement officer faces. The need for immediate access to assistance would be addressed through a contract with a company such as Responder Support Service to place an Embedded Behavioral Health (EBH) provider with first responder experience at the sheriff's office.

Responder Support Services states, "The Embedded Behavioral Health (EBH) model is an early intervention and treatment structure of the behavioral health model that promotes first responder readiness and resilience. EBH is most commonly associated with the US Military as EBH is a staple for keeping our soldiers resilient and healthy. EBH provides multidisciplinary behavioral health care to responders in close proximity to their department, often on site." The intent is to have a single provider assigned to the Cabarrus County Sheriff's Office. This provider would have office days inside the Cabarrus County Sheriff's Office 4 days per week as suggested by Responder Support Services due to the number of employees. When the clinician does not have scheduled appointments, they would spend time with the different divisions to build rapport and relationships, making it easier for employees to reach out. "The working relationship between the officers and the EBH provider serves to erode the stigma commonly associated with behavioral health care in the First Responder culture." The provider could address issues such as depression, PTSD, sleep disturbance, end of career distress, hyper-vigilance syndrome or any

other behavioral health issue the employee may face. They would also serve as a clinical consultant for the Peer Support Team.

Another component of this wellness program would be a fitness program. A physical fitness program not only encourages and promotes an officer being fit for duty and being better equipped to respond to any situation in the field, but it also promotes mental and emotional wellbeing. Exercise reduces stress and anxiety making an individual much less likely to develop depression. Regular exercise leads to better sleep and boosts overall mood, quality of life, and wellbeing. There is research that suggests the positive effects of exercise can be as effective as psychotherapy and medications.

A new Wellness Officer position within the Cabarrus Sheriff's Office would oversee the Wellness program. They would oversee the fitness program, be a liaison with the EBH, be a liaison with the chaplain's program and be a liaison and part of the Cabarrus County Critical Incident Peer Support Team. The Wellness Officer would also coordinate with the Cabarrus County Wellness Coordinator to better utilize county resources to support this program. With the state of North Carolina Sheriff's Training and Education Standards investigating the Police Officer Physical Ability Test (POPAT) being not only a requirement of initial certification as a sworn officer, but also being a requirement of continued certification, we as an agency want to better prepare for this possible implementation. We would provide incentives to employees who voluntarily participate in taking an annual POPAT. This would not only prepare employees for the possible mandatory implementation it would also encourage regular workouts.

#### Wellness Officer Duties:

- Oversees on-duty work-out opportunities. The Wellness Officer will work directly with individuals who chose to take advantage of this incentive and offer personal training programs and workouts if requested by the individual.
- Provides private and personalized consultations to any person wishing to consult in reference to implementing and or maintaining a fitness program.
- Prepares cadets scheduled to attend and currently attending BLET to ensure their success in completing the state required POPAT.

This includes an introduction to law enforcement and the physical and mental challenges that can come with the job. New hires will also be made aware of the purpose of the Critical Incident Stress Management Team and what to expect if they are involved in a critical incident.
- Develops and facilitates yearly fitness testing for officers
- Creates opportunities for officers to earn incentives for achieving physical fitness goals and participating in fitness/wellness-based contests
- Instructs in house classes incorporating Interval Training, Circuit Training, Tabata, and Yoga
- Facilitates the implementation of the Gracie Ground Fighting program which would allow on duty training in martial arts for Deputies.

- Prepares and maintains health and wellness records and files. Maintains confidentiality
- Identifies individuals interested and capable of assisting with Wellness Program and manages those individuals' participation in the program.

**Bomb Squad Funding Proposal:**

To receive funding for equipment to assist the Cabarrus County Sheriff's Office Bomb Squad personnel to augment or replace aging equipment. Newly acquired equipment will assist the Sheriff's Office in providing timely, well-coordinated, and proper response to high-probability bomb threats, improvised explosive devices, and other explosive items to ensure the safety of community members and sworn personnel.

**Background:**

In response to IEDs and car bombs at Cannon Mills in 1979, Sheriff J.B. Roberts sent one deputy to a four-week FBI Bomb Technician Training School in Huntsville, Alabama. In 1994, Sheriff Canaday approved additional equipment to expand the team, including a vehicle, bomb suit, water cannon and a containment vessel. In 1998, two additional deputies successfully completed the same FBI Bomb Technician Training, expanding the team to three technicians. With a minimum of two technicians required to be accredited by the FBI, the Cabarrus County Bomb Squad was now accredited and recognized as a regional response Bomb Squad. In 2000, the team was able to acquire their first bomb robot and two bomb suits. In 2014, Sheriff Riley was able to utilize asset forfeiture funds to purchase and repurpose a Midland Fire Department truck. Between 2021-2022, Sheriff Van Shaw advocated and received federal UASI and County funding to replace the outdated bomb robot, containment vessel, and bomb emergency response truck.

**Response Area:**

The Cabarrus County Bomb Squad continues to remain accredited and recognized by the FBI as a regional team. They proudly serve Cabarrus County as well as Rowan, Stanly, Union, and Iredell counties representing over 875,000 citizens. In addition, the Team has been called upon to assist in Wake County during the State Fair and every large-scale event within Cabarrus County, such as: County Fair, NASCAR races, zMAX Dragway events, and any events involving dignitaries, presidential visits and both the Democratic and Republican National Conventions.

Last year there were ten bomb threats at Cabarrus County Schools that required a significant response from deputies, K9 handlers and bomb squad technicians.

The following list highlights a few out-of-county Bomb Squad requests for mutual aid, but does not encompass all calls received:

- Rowan County – Faith Road: hand grenades found in residential closet
- Stanly County – Thompson Road: Assist Sheriff's Office with suspicious package
- Stanly County – Badin Elementary: Bomb Threat
- Rowan County – Ebenezer Road: hand grenade found in residence
- Stanly County – Miller Chapel Road: blasting caps recovered
- Rowan County (Spencer) – 1<sup>st</sup> Street: mortar rounds and ammunition recovered
- Rowan County – Candlewick Drive: hand grenade recovered
- Union County (Monroe) – Corporate Center Drive: Assist Monroe PD
- Iredell County – Brawley School Road: St. Therese Catholic Church – Unattended suspicious package
- Mecklenburg County – suspected pipe bombs inside garbage truck headed into Cabarrus County
- Rowan County – Front Creek Drive (Chewy Dist. Center): suspicious package inside warehouse
- Rowan County – 7<sup>th</sup> Street: military incendiary devices inside residence
- Union County (Monroe) – Jefferson Street: Suspicious package near courthouse

**Narrative:**

The Cabarrus County Sheriff's Office Bomb Squad is dedicated to protecting the lives of all citizens within the region and assure explosive devices are rendered safe without incident. As an agency, we have proactively budgeted for updated equipment to maintain accreditation with the FBI and remain within the industry standards. To continue this, it is essential that we remain on the forefront of technological advances and equipment upgrades. Since 1998 the Cabarrus County Bomb Squad has been the regional response unit and has worked to ensure a quick response to render devices safe to prevent serious bodily injury or death to citizens. For these reasons, we feel that it is essential to replace/upgrade the listed equipment to continue providing this valuable resource in the safest way possible.

**Scope of Request: Funding for Equipment**

- **Video Wall and Software for Integration with Command Central Aware:**

Request to add a video wall accessible in the 911 center. The video wall will have the ability to bring any networked video from the various sources related to the bomb response. The Cabarrus County Sheriff's Office integrates video into Command Central that pairs various sources of video that can be viewed alongside with video from the incident, locations of responding units and assets as well allowing command staff to oversee the response to the bomb or other high-risk incidents.

**Total Financial Request for Bomb Equipment: \$165,000.00**

### Scope of Work, Sub-Grants, and Annual Budget

As part of this grant agreement, you are required to provide a description of how you will spend the grant funds in compliance with the specific purpose as stated in the Appropriations Act ("Scope of Work"). You are also required to submit information related to any potential sub-grants and a budget for the grant funds. **Please attach additional sheets as necessary.**

<b>1. Organization:</b> Cabarrus County Sheriff's Office	
<b>2. Grant ID:</b> 20097	
<b>3. Scope of Work</b>	
<b>Objectives, Results, Performance Measures:</b>	
Recipient shall detail below how the organization will spend the grant funds in compliance with the specific purpose(s) as stated in the Appropriations Act. The description should include objectives to be achieved, expected results and performance measures. The description should also include anticipated timing of those objectives, expected results and any services provided.	
<p><b>Objective(s):</b> How do you plan to spend your grant funds? What project(s) do you want to accomplish?</p>	<p>The Cabarrus County Sheriff's Office is implementing a full Wellness Program to focus on the mental, physical, and emotional wellness of all employees. This would include funding for a full-time employee to oversee and run the program, pay for needed equipment, training, and program materials, as well as funding to contract with an Embedded Behavioral Health Service that specializes in working with law enforcement employees. The intent of the majority of this grant is to fund this program. The CCSO also is an accredited bomb squad through the FBI. The squad responds to high-probability bomb threats, improvised explosive devices and other explosive devices to ensure safety to citizens and officers alike. The funds will be used to purchase the remainder of a video surveillance wall integrated with Command Central Aware.</p>
<p><b>Expected Results:</b> What do you hope will be accomplished through the projects supported by these grant funds?</p>	<p>The Cabarrus County Sheriff's Office intends to increase the mental, emotional, and physical well-being of its employees. The field of law enforcement is fraught with emotional and mental pitfalls due to the nature of the situations that officers are asked to respond to. The repetitive exposure to work related trauma can lead to cumulative post-traumatic stress disorder if not properly dealt with. The intent of this program is to provide more resources for employees for their physical, mental and emotional health. The remainder of the funds will be used to purchase the remaining needs for the bomb squad, specifically the rest of the cost of a video surveillance wall for Bomb Squad, Administration and Telecommunicator oversight of scenes.</p>
<p><b>Performance Measure(s):</b> List the steps it will take to accomplish the project(s) supported by these grant funds. ## BOARD OF COMMISSIONERS REGULAR MEETING

**February 19, 2024  
6:30 PM**

---

### **AGENDA CATEGORY:**

New Business

### **SUBJECT:**

County Manager - Forestry Sale at Stonewall Jackson Property

### **BRIEF SUMMARY:**

The State transferred two parcels to Cabarrus County in June 2023 as part of the disposition of the larger Jackson Training School Property. Those parcels are north and south of the State's communications tower and total 268 acres. Both parcels are currently vacant and were included in an area for which the State had an adopted forestry plan. The County solicited proposals from timbering consultants and the Board of Commissioners approved an agreement with GFR for that purpose. GFR has completed their inventory and will be soliciting bids for a combination of complete harvest and selective thinning. The complete harvest section is south of the communications tower and is the proposed location for the public safety training center. The harvest is necessary for the PSTC to be developed. The area north of the tower only requires selective harvest and clearing at this time. Bids for that northern section are dependent on market conditions. A recommendation on that section will be made after bids are received and assessed. A budget amendment will be presented at the regular meeting when staff has the numbers.

### **REQUESTED ACTION:**

Motion to sale timber and approve the necessary associated budget amendment.

Address: 805 Trade Street NW, Suite 101, Concord NC 28027

**Nature of Business:** Real Estate Development – speculative industrial / business park

**Current Operations in Cabarrus County (y/n):** This will be a new business park development. Fortius Capital Partners is based in Concord and has developed and operated successful business parks in Cabarrus County since 2017.

**Proposed New or Additional Cabarrus Facility:**

Address/Location: Corner of Concord Parkway and George Liles Parkway

Square Feet: +/- 1.3 million square feet

Lease or Purchase: Project will be a multi building business park built speculatively in four phases. Buildings will be both for lease and sale.

**Project Summary:**

The project consists of parcels 55097549530000 and 55098674470000 comprising approximately 160 acres. The proposed park will create a Class A master planned industrial and business center consistent with the Campus zoning district. The development of the site will likely be constructed in phases spanning approximately 5 years; it will include an expansion of a public roads; traffic signalization and intersection improvements at Concord Parkway at Dwight Drive; and storm, water and sewer infrastructure improvements. These improvements intend to be consistent with the City's George W. Liles Pkwy Small Area Plan.

Preliminary site plans model the site as a 9-building development with building sizes ranging from 84,000 sq ft to 250,000 sq ft, and totaling an approximate square footage of 1,287,000. The buildings will be modern class A tilt wall construction with high quality and decorative finishes. Efforts will be made for park amenities to match the goals of the Campus zoning

district including sidewalks, walking trails, pedestrian connectivity, benches, green space, and so forth.

The park will focus on attracting new companies and providing supporting space to several of Concord's recent high-profile expansions. The park's location near the Eli Lilly campus and the Grounds at Concord will offer critically needed space for the ecosystem to support the existing companies and encourage the continued growth of the area. Campus District zoning allows for a wide variety of uses, and the park will aim to draw companies and jobs from all approved uses, including manufacturing, warehousing, life science, distribution, and limited retail uses.

The George W. Liles Pkwy Small Area Plan was considered in the layout and goals of the site plan. We believe the proposed plan aligns with the Small Area plan by:

- Matching this area's recommended land use as "Corporate / Industrial".
- Including the recommended signalized intersection with Highway 29 at the park entrance
- Including for the recommended realignment of Dwight Place SW to allow for future growth and connection to the adjacent parcels.
- Including the recommended new public road network to adjacent parcels
- Including the recommended expansion of underground public water, sewer, power, and fiber utilities to the area

STATE OF NORTH CAROLINA

COUNTY OF CABARRUS

ECONOMIC DEVELOPMENT  
GRANT AGREEMENT  
(Fortius Capital Partners, LLC)  
(Concord Commerce Park)

This ECONOMIC DEVELOPMENT GRANT AGREEMENT (the “Agreement”) is made and entered as of the \_\_ day of February, 2024, by and between CABARRUS COUNTY, a body politic and political subdivision of the State of North Carolina (“County”), and FORTIUS CAPITAL PARTNERS, LLC (“Fortius”), a North Carolina limited liability company.

#### RECITALS

1. Fortius plans to build a Class A multi-building business park of approximately 1,300,000 square feet total in multiple phases over five (5) years on a 160-acre tract at the corner of Concord Parkway and George W. Liles Parkway, Concord, North Carolina. This project (the “Facility”) in the County will be an investment of at least One Hundred Two Million, Four Hundred Thousand Dollars (\$102,400,000.00) in new land and building value, and perhaps up to One Hundred Twenty-Five Million Dollars (\$125,000,000.00) in new land and building value (the “New Investment”).

2. The County has previously adopted an Industrial Development Grant Program (the “Program”), a copy of which is attached as Exhibit A and incorporated by reference, the public purpose of which is to encourage economic growth and development within the County.

3. Cabarrus Economic Development, Inc. (the “EDC”) has reviewed the Fortius application for inclusion in the Program, and the EDC’s overview is attached as Exhibit B and incorporated by reference.

4. Fortius has determined that the location of its Facility at the corner of Concord Parkway and George W. Liles Parkway, Concord, North Carolina (the “Site”) in the County is a suitable location for the placement of the Facility and the New Investment.

5. The New Investment would generate significant ad valorem tax, sales tax and other revenues for the County, which revenues constitute a material part of the financial basis for the County entering into this Agreement.

6. The Local Development Act of 1925, North Carolina General Statutes §158-7.1 et seq. (“Act”), and County economic development grant policies authorize the County to provide cash grants to induce the creation of new jobs and capital investments.

7. To induce Fortius to locate the New Investment in the Facility at the Site and to assist Fortius in that activity, the County has offered incentives to Fortius consistent with the Program.

8. Pursuant to the authority of the Act, the Cabarrus County Board of Commissioners has approved, following a public hearing and having made all findings and determinations required by law, a motion to award a cash economic development grant to Fortius to induce it to locate the Facility in the County and, further, deems the cash incentive grants authorized to be in the public interest.

In consideration of the mutual promises set forth in the Recitals and the Covenants, Terms and Conditions and other good and valuable considerations, the receipt and sufficiency of which are acknowledged by the parties, the County and Fortius agree as follows:

#### COVENANTS, TERMS and CONDITIONS

1. Incentive Grants. Pursuant to the Program, the County shall in accordance with and as provided by this Agreement, make incentive grant payments to Fortius (the “Grants”) in an amount equal to 85 percent of the property tax paid by Fortius on the increase in the actual assessed ad valorem tax value of Fortius’s real property occasioned by construction and installation of the New Investment in the Facility at the Site (the “Increase”). The County shall pay the Grants to Fortius as follows:

(a) For a period of five (5) consecutive years, the County shall pay an annual Grant payment to Fortius equal to 85% of the property tax Fortius pays on the Increase (each, a “Grant Payment”);

(b) The “Grant Term” shall be the five-year period beginning with the “Initial Grant Year”, and each subsequent “Grant Year”. The Initial Grant Year shall mean the calendar year after which the New Investment or any portion thereof is made and placed in service. Fortius may elect the year when the Initial Grant Year shall be effective, and shall so notify the County in writing within the first six months of such year. In the event the New Investment is not fully operational by calendar year end 2029 this Agreement shall be subject to the provisions of Paragraph 4 hereinafter.

(1) Only fully operational permanent investments in the calendar year prior to the Initial Grant Year are grant eligible for the full five-year Grant Term. Additional permanent investments that are fully operational in subsequent years will be grant eligible for the remaining years of the Grant Term. Investments not identified in or not meeting the timelines in Exhibit B are not grant eligible.

(2) The County shall make each Grant Payment within the first ninety (90) days of the County’s fiscal year immediately following the calendar year of the Fortius’s property tax payment(s); provided that all required information (i.e. questionnaire, audit documents, initiation letter/application, etc.) are submitted within the

first six months of the applicable Grant Year and upon delivery of the Assessor's Statement; however, if at the time, Fortius has not paid all taxes due and payable to the County, or any such taxes are under dispute, the County shall withhold the annual Grant Payments until such time that Fortius is current on the payment of all such taxes and/or until the dispute is resolved. If the information required is not forthcoming or if tax payments are not timely paid, then the applicable Grant Payment will be delayed by a year as will all subsequent Grant Payments (only one grant year payment can be made in any County fiscal year) based upon proper submission within the latter six months of the respective grant year. Any other nonconformance to the required information timeline will result in the forfeiture of the remaining Grants.

(c) All parties agree that calculation of the incentives is based solely on the valuation of Fortius's property by the Cabarrus County Tax Assessor in accordance with applicable law. The property valuations made by the Cabarrus County Tax Assessor in accordance with applicable law are deemed by all parties to be the conclusive and final determination of the investments made by the Applicant.

(d) In no case shall the County make any Grant Payment for any year or any subsequent year during which Fortius ceases or substantially curtails construction of the Facility. For the purpose of this Agreement, operations are substantially curtailed when subsequent phases are delayed or construction has effectively ended on the existing phases prior to completion. It becomes the responsibility of Fortius to give notice to the Tax Assessor as soon as practical when a potential for curtailment occurs.

(e) The process of assessment of the tax value of the New Investment, the calculation of the Grant amounts and the payment of the Grant Payments are more particularly described in the Program, which provisions are part of this Agreement. The County hereby confirms that it has approved the application of the Program to the Facility and has authorized the Grants and other terms of this Agreement. The County and Fortius further confirm that this Agreement constitutes the "formal agreement" required under the Program and the terms of this Agreement and those contained in the Program shall govern the application of the Program to the Facility. Fortius agrees to forward to the Cabarrus County Tax Assessor, at the time it makes its annual property tax payment for each Grant Year, a copy of the property tax payment receipt, which must be requested from the Tax Collector and the Cabarrus County Tax Assessor's statement (the "Assessor's Statement") of the valuation of the New Investment located at the Facility. The Assessor's Statement may be issued only after:

(1) Fortius has completed the Assessor's questionnaire and other substantiating corroborating documentation identified in the Program to the satisfaction of the Assessor; and

(2) The Assessor has completed an audit to review, evaluate and verify a value for the New Investment.

(f) The total amount of the Grant Payments the County makes to

Fortius under this Agreement shall not exceed the maximum Grant amount of \$3,200,480.00 for a New Investment of \$102,400,000.00 or \$3,931,250.00 for a New Investment of \$125,000,000.00.

2. State and County Incentives. The County agrees to assist Fortius in obtaining any incentives, grants and programs that may be or become available from the State of North Carolina and/or City of Concord; however, the County shall not be responsible for obtaining or paying any State or City incentives to Fortius, except as otherwise provided by law or a signed, written agreement with the County.

3. Validity of Incentives. As stated in the Program, no change in the Program after the date of this Agreement shall apply to the provisions of this Agreement, the New Investment, or the Facility (as it may be expanded or modified) unless otherwise agreed to in writing by the County and Fortius. In the event one or more lawsuits or other proceedings are brought against the County or any County elected official challenging the legality of this Agreement or any provision, the County shall defend against any and all such lawsuits or other proceedings, including appealing any adverse judgment to the highest appellate court of the State of North Carolina. In the event that any of the incentives or other agreements of the County are determined to be invalid, the County agrees that it will, to the extent permitted by law, provide Fortius with incentives of substantially equal value pursuant to one or more replacement incentive grant programs.

4. Noncompliance by Fortius. Fortius acknowledges that prior to a Grant Payment being made or at any time during the Grant Term or the year after the final Grant Year, if Fortius (a) fails to make or maintain the New Investment, (b) fails to continue in business a fully operational Facility, (c) fails to comply with any provision of this Agreement, or (d) fails to comply with any provision of the Program applicable to this Agreement, then Fortius shall be in default of this Agreement. It becomes the responsibility of Fortius to give notice to the office of the Tax Assessor immediately upon default (within 10 business days). In the event that Fortius shall fail to cure such default within 90 days of having received such written notice, the County may at its option terminate this Agreement and withhold all further Grant payments and require repayment of all prior Grant payments. County may pursue such other recourse or remedies as permitted by law.

5. Fortius Representations. Fortius represents as of the Agreement date as follows:
