Martin Ericson, Chairman, called the meeting of the Board of Elections to order.

Wilkerson made a motion to approve the minutes as presented. The Board approved unanimously.

Dudley made a motion to approve the following number of Absentee applications. The Board approved unanimously.

Concord: 10 CIVs, 1 OVR

Kannapolis: 1 CIV

The Board duplicated absentee 1 Concord OVR ballot by following the procedures and security outlined in procedures for counting electronically transmitted ballots which the Board adopted.

The total ballot count for mailed in Absentees to date is 233.

The Board recessed to count and process the absentee early voting ballots to the Electionware software. Newsome uploaded the results from early voting into the election software with a total of 1924 ballots. Newsome uploaded the results from Absentee voting into the election software with a total of 233. The grand totals corresponded with the total number of one-stop absentees requested and documented and the total number of mailed absentees returned and approved.

Newsome began entering the totals from the USBs that were brought in from the precinct officials and the transfer in office while staff checked the totals to make sure the totals were matching up with the tapes brought in from the precinct and on the transfer.

The Board reconvened after all precincts reported and all mail-in and one-stop absentees were counted and final unofficial totals were accumulated.

Since there was no other business to come before the Board, White made a motion to adjourn at 9:36 pm. The Board approved unanimously.

The next scheduled meeting will be on Wednesday, November 15 at 5:00 pm.

Respectfully Submitted,

Jay White, Secretary
