Subject: Missing Employer Information

Hi Catherine,

I hope you are well. I wanted to let you know that we have completed the audits of Pam's reports and have identified five contributors with missing occupation information. Several of these are on already amended reports so I hate to ask you to amend again – but could you please either provide occupation & employer information for the following contributors (via email is fine), or state that you made best efforts to find this information pursuant to NCGS 163-278.11(d)?
