I certify that the above-mentioned Committee intends to close and cease existence. Upon signing this certification, I declare that all funds have been distributed and reported (if required). In addition, no contributions will be accepted, or disbursements made after the "Final Report" is filed or this form is signed. If the Committee at any future time intends to accept or spend funds in support or opposition of any candidate or ballot issue, a new political committee must be formed and registered with the Board of Elections before such activities may commence.

Any Committee that did not file under the $1,000 threshold must submit a "Final Report" with this Certification. The "Final Report" must have a zero balance with no outstanding loans or debts.

Committees that have filed under the $1,000 threshold will not file a "Final Report". A committee that is under the $1,000 threshold, must have submitted a Certification of Threshold to their County Board of Elections at the beginning of their campaign or the start of the most recent election cycle. A committee that is under the $1,000 threshold will be required to complete, sign, and file this Certification only.
