Hi Jinger and Jack,

I hope you both are well. I wanted to let you know that we have finished auditing committee reports and one minor discrepancy came up.

Jack's 35-Day Report from 2023 (his City Council election) discloses a \$134.33 contribution from Holly Grimsley, listed on the CRO-1210 Contributions from Individuals form. This contribution actually came from Holly's County Commissioner committee account and would typically be reported on CRO-1230 Contributions from Other Political Committees.

Since it is a minor error and the municipal committee was closed so long ago, I am not requesting an amendment – but wanted to make you both aware in case you receive any questions about this in the future.

Thanks,

Wyatt
